

# The Altar and the Door

## Casting Crowns

Careless, I am reckless  
I'm a wrong way traveling, slowly unraveling, shell of a man  
Burn out, I'm so numb now  
That the fire's just an ember way down in the corner  
Of my cold, cold heart Lord, this time, I'll make it right  
Here at the altar I lay my life  
Your kingdom come and my will was done  
My heart is broken as I cry Like so many times before  
I flood my eyes  
I try before I leave the floor  
Oh Lord, I try  
(I'll try) But this time Jesus how can I be sure?  
I would not lose my follow through  
Between the altar and the door Here at the altar  
Oh, my world so black and white  
How could I ever falter  
What you've shown me to be right? Lord, this time  
(Lord, this time)  
I'll make it right  
(Make it right)  
Here at the altar I lay my life  
Your kingdom come, but my will was done  
My heart is broken as I cry Like so many times before  
But my eyes are dry before I leave the floor  
Oh Lord, I try  
(I'll try) But this time Jesus how can I be sure?  
I would not lose my follow through  
Between the altar and the door I'm trying so hard  
To stop trying so hard  
Just let you be who you are  
Lord, who You are in me Jesus, I'm trying so hard  
To stop trying so hard  
Just let you be who you are  
Lord, who You are in me Oh Lord, I cry  
Like so many times before  
But my eyes are dry before I leave the floor  
Oh Lord, I try  
(I'll try) But this time Jesus how can I be sure?  
I would not lose my follow through

Between the altar and the doorCry  
(My eyes are dry)  
Like so many times before  
(So many times)  
But my eyes  
Are dry before I leave the floorOh Lord, I try  
(I'll try)  
But this time Jesus how can I be sure?  
I would not lose my follow through  
Between the altar and the doorTry  
(Trying so hard)  
Like so many times before  
(Try so hard)  
Such [Incomprehensible]  
Dry before I leave the floor
