

Eternity (Radio Edit)

[Robbie Williams](#)

Close your eyes so you don't feel them
They don't need to see you cry
I can't promise I will heal you
But if you want to I will try Sing this summer serenade
The past is done, we've been betrayed
It's true, some might say the truth will out
But I believe without a doubt in you You were there for summer dreaming
And you gave me what I need
And I hope you find your freedom
For eternity, for eternity Yesterday when we were walking
You talked about your mom and dad
What they did that made you happy
What they did that made you sad We sat and watched the sun go down
Then picked a star before we lost
The moon, youth is wasted on the young
Before you know it's come and gone too soon You were there for summer dreaming
And you gave me what I need
And I hope you find your freedom
For eternity, for eternity You were there for summer dreaming
And you are a friend indeed
And I hope you find your freedom for eternity You were there for summer dreaming
And you are a friend indeed
And I know you find your freedom
Eventually, for eternity, for eternity
