

Hey Lady

Obie Trice

[Obie Trice]

Can we re- can we re-enact Biggie's song?

C-can you shit on me?

I just want you to shit on me[Hook - Eminem (singing)]

Hey lady, hey darlin', hey baby

I'm sorry but I can't be your boyfriend

If you toy with my motherfuckin' emotions

I'll kill you

Bitch I'm fuckin'

For real I'll make you suffer like I suffered

If you fuck me then I'll make you fall in love[in the background of the hook]

Hey lady, hey lady

I don't think you really wanna be my girl

(be my girl, be my girl, be my girl)

Fuckin' with me can be dangerous (dangerous, dangerous)

You never know what I really (be like, be like)

(be like, be like, I'm your type)

(And might even get a little bit crazy)[Obie Trice]

Baby I'm extra large (huge) in magnitude

And Magnums to lubrication that I use

To chose which hole on a ho I abuse (yes)

Have 'em confused, can't tell who is who

When I fuck the shit out you, then the next date (bitch)

I rush the shit out you off my two-way (ooh wait)

You wanna cuddle, emotional hustle up on Pocono's

Poke ya nose in and outta Obie's own

No, I'm in and out your home

And this in and out your tone

I ain't the nigga that settles 'em down

Put 'em in nice homes and floss 'em around (nah)

I bounce 'em around

Camcord the sex and sell 'em around town

How that sound?

If I was in love witcha, now you wanna clown

Fuck with them clowns until I pound on your crown

Bust a few rounds and the cops come and get me

Bad mouth a nigga just to convince a jury

You don't want it with me, you just horny as me

You want a nut, nuttin' but what is you be[Eminem]-acap
