

Blood Sweat & Tears

V

If you say, that you don't want me
That's okay, I'm gonna get ya anyway
If you think, you can avoid me
That's alright, 'cos I don't mind a little fight
Word is out, that you're not gettin' served
The way that both of us know you deserve
There's no doubt
(There's no doubt)
That I know what you need
If you wanna come just come with me
I am just a guy, you are just a girl
All I know is I just wanna rock world
And all I have to say, I hope that it's okay
Gonna be blood, sweat and tears
Gonna be hard work and fears
But I ain't gonna stop
No, never stop till I got you
Gonna be sunshine and rain
Gonna be pleasure and pain
But I ain't gonna stop
No, never stop till I got you
Listen up, please believe me
When I claim to be the lover that you want
(Alright)

Check this out, I got a feelin'
That it's gonna be you and me, you know I'm right
You are just a girl and I am just a guy
Who does appreciate the finer things in life
And this I swear to you
Every word is true
Gonna be blood, sweat and tears
Gonna be hard work and fears
But I ain't gonna stop
No, never stop till I got you
Gonna be sunshine and rain
Gonna be pleasure and pain
But I ain't gonna stop
No, never stop till I got you

Gonna be blood, sweat and tears
Gonna be hard work and fears
But I ain't gonna stop
No, never stop till I got you
Gonna be sunshine and rain
Gonna be pleasure and pain
But I ain't gonna stop
No, never stop till I got you
