

# Love Over Gold

## Dire Straits

You walk out on the high wire  
You're a dancer on thin ice  
You pay no heed to the danger  
And less to advice Your footsteps are forbidden  
But with knowledge of your sin  
You throw your love to all the strangers  
And caution to the wind And you go dancing through doorways  
Just to see what you will find  
Leaving nothing to interfere  
With the crazy balance of your mind And when you finally reappear  
At the place where you came in  
You've thrown your love to all the strangers  
And caution to the wind It takes lover over gold and mind over matter  
To do what you do that you must  
When the things that you hold can fall and be shattered  
Or run through your fingers like dust
