Go, Jimmy, Go

Jimmy Clanton

I told her when it comes to talking
I'm the sweetest sweet-talker in the world
She said you better start talking if you want me to be your girl
And she said, "Go, Jimmy, go." She said, "Go, Jimmy, go"
Well, I talked her off the floor when she said, "Go, Jimmy, go"
I told when it comes to dancing
I'm the best young dancer in the land
Well, she looked at me with a twinkle in her eyes
And then she took my hand
And she said, "Go, Jimmy, go." She said, "Go, Jimmy, go"
Well, I talked her off the floor when she said, "Go, Jimmy, go"
And she said, "Go, Jimmy, go." She said, "Go, Jimmy, go"
Well, I talked her off the floor when she said, "Go, Jimmy, go"
I told her when it comes to kissing
I ain't nothing but a kissing fool
She started to giggle when I told her that I'd teach her
Things she'd never learn in school
And she said, "Go, Jimmy, go." She said, "Go, Jimmy, go"
Well, I talked her off the floor when she said, "Go, Jimmy, go"
"Go, Jimmy, go" "Go, Jimmy, go"
