Change

Lisa Stansfield

If I could change the way I live my life today
I wouldn't change a single thing
'Cos if I change my world into another place
I wouldn't see your smiling faceI'll always be there and I'll always careHoney don't you worry, there's nothing to worry for
'Cos if I didn't love you, I wouldn't be here now
And if I didn't want you, I would have turned around by nowYou've got to believe me babe, believe that I love you so
'Cos if I didn't love you, I would have turned around
And if I didn't want you, then I would want you outThis love, this love has filled me up
Oh my love I'll never give you up
'Cos I'll always want your loveIf I could change the way I live my life today
I wouldn't change a single thing
'Cos if I change my world into another place
I wouldn't see your smiling faceBelieving is the answer, the answer to all your fears
When I first said I loved you, I want in for the kill
Now when I say I love you, I mean I always willThis love, this love has filled me up
Ooh my love I'll never give you up
'Cos I'll always want your loveIf I could change the way I live my life today
I wouldn't change a single thingThis love, this love has filled me up
My love I'll never give you up
'Cos I'll always want your loveIf I could change the way I live my life today
I wouldn't change a single thing
'Cos if I change my world into another place
I wouldn't see your smiling faceIf I could change the way I live my life today
I wouldn't change a single thing
'Cos if I change my world into another place
I wouldn't see your smiling faceYou, only you can do my love
My sweet my very very
