The Maytals

Koo, koo, you have me in the corner, baby
Hey, hey, I don't know what is happening
Koo, Koo, you have me in the corner
But I, know I, don't love her again
No I, know I, don't love her againIt's true, she told me that I love her but
Hey, hey, I can't live without her
Ooh, ooh, they told me that is lovely
But I, know I, don't love her again
