No Saving Me (The Farm Sessions)

Framing Hanley

I've been betrayed by stereo waves
My memories erased, replaced with bitterness
And fragments of an hourglass I've reassembled piece by piece
I won't give up but if I go down I'm taking you with meI've become a shell
Of the man I was
Only time will tell
If I'm strong enough
I hope you're listening
This is my last goodbye
My last goodbyeThere's no saving me
Too far gone for reasoning
My hands aren't clean
I gave it all to play for keeps
And I keep on though it hurts
I keep on though it hurts
I may be breathing
But this isn't living, no
It's just a routine
Between the lines it's obviousI'm going through the motions
Day to day, week to week
But I'll crawl till I can't stand
The fall won't be what defines meI've become a shell
Of the man I was
Only time will tell
If I'm strong enough
I hope you're listening
This is my last goodbye
My last goodbye
There's no saving me
Too far gone for reasoning
My hands aren't clean
I gave it all to play for keepsWhen it's over
And they throw me in my grave
I leave knowing
There was nothing left to say
There was just no saving me
So I keep onThere's no saving me
Too far gone for reasoning
My hands aren't clean

I gave it all to play for keepsI keep on though it hurts
There's no saving me
I keep on till it bleeds
