

# Daughter of a King

Jenny Phillips

Do you wonder if he knows who you are?  
Do you wonder if he knows the secret pleadings of your heart  
He has numbered every sand of the sea  
And he longs for you to know that he believes in you.

Can you feel the quiet power from above  
Can you feel his strength surround you when your own is not enough  
He has blessed you with his spirit from on high  
And he longs for you to know what lives inside of you  
Oh, be true

## CHORUS:

Daughter of a king  
The father's royalty  
Heir to his divinity  
He's calling your name  
To come and take your place before his throne  
He has always known  
What he created you to be  
A daughter of a king

You hold the promises of all eternity  
Rise to claim the noble birth right you were sent here to receive  
He has loved you since you lived with him before  
Let him lead you to the gifts he has in store for you  
Oh, be true

## COURUS

Daughters of a king our father's royalty  
Heirs to his divinity  
He's calling our names  
To come and take our place before his throne  
He has always known  
What he created us to be.....  
Daughter of a king.
