

# Burnin Love

Dido

I found no peace in the lies that I've told  
I'm only hurt by the blows that get withheld  
Sharper I get cut, the harder I get held  
More that I believe that you will come to me Without you I've been burnin' love, oh  
You're the one that I've been callin' for, oh  
Without you I've been burnin' love, oh  
You're the one that I've been callin' for I found no peace in the lies that I've told  
I'm only hurt by the blows that get withheld  
Sharper I get cut, the harder I get held  
More that I believe that you will come to me Without you I've been burnin' love, oh  
You're the one that I've been callin' for, oh  
Without you I've been burnin' love, oh  
You're the one that I've been callin' for Out you I've been burnin' love, woah  
You're the one that I've been callin' for Without you I've been burnin' love, oh  
You're the one that I've been callin' for, oh  
Without you I've been burnin' love, oh  
You're the one that I've been callin' for
