

Hate to Feel

Alice In Chains

Oh yeah....

What's gone wrong?
I can't see straight
Been too long
So full of hate

What the fuck will it take?
Drown myself in my wake
Another shaggy D.A.
Now a dog, shake my leg

Plastic man, paper face
Candy heart, what a waste
Gotta change, set a date
Eat my cake, lick my plate

Stare at me with empty eyes
And point your words at me
Mirror on the wall will show you
What you're scared to see

I can see (wish I couldn't see at all)
I can feel (wish I couldn't feel at all)
Hate to see (wish I couldn't see at all)
Hate to feel (wish I couldn't feel at all)

So climb walls
Thin my blood now
And I crawl
Back to bed now

What the hell, gotta rest
Aching pain in my chest
Lucky me, now I'm set
Little bug for a pet

New Orleans, gotta get
Pin cushion medicine
Used to be curious

Now the shit's sustenance

All this time I swore
I'd never be like my old man
What the hey, it's time to face
Exactly who I am

CHORUS

What the hell, gotta rest
Aching pain in my chest
Lucky me, now I'm set
Little bug for a pet

New Orleans, gotta get
Pin cushion medicine
Used to be curious
Now the shit's sustenance

All this time I swore
I'd never be like my old man
What the hey, it's time to face
Exactly what I am

CHORUS
