

Hesitation Blues

[Janis Joplin](#)

Well, a nickel is a nickel, a dime is a dime

I need a new man, Lord I know I won't mind
How long, dear do I have to wait?

Can I get you now, dear must I hesitate?
Well now, eagle on the dollar says "In God we trust"

You say you won't obey me, you wanna see the dollar first
How long dear, do I have to wait?

Can I get you now dear, must I hesitate?
Lord, if the river was made of whisky I was a duck

I'd just swim to the bottom and I'd never come up
How long dear do I have to wait?

Why can I get you now, dear must I hesitate?
Now there's rocks down in the ocean and there's fish in the sea

I know you mean the whole world to me
How long dear must I have to wait?

Can I get you now, dear must I hesitate?
I got them hesitation stockings, I got them hesitation shoes

Lord knows I got them hesitation blues
Tell me, how long do I have to wait?

Why can I get you now, dear must I hesitate?

Yeah!
