Switch the Mojo

Glenn Hughes

Who is the one who's haunting me?
I gotta know, I gotta know
You've taken the sacred part of me
Just let it go, just let it goIs this the way u want 2 be?
Just let me know, please let me know
In some electric odyssey
You let it go, u let it goWhy do u want 2 pull me down?
Can't u see I'm on the ground
I think I'm going 2 come aroundI don't want 2 switch the mojo, but I would!
I don't want 2 see the freak show, but I should!
I don't want 2 switch the mojo, it's so good!Who is the one who is killing me?
I gotta know, I gotta know
You've tasted the sacred part of me
Just let it go, just let it goI don't want 2 switch the mojo, but I would!
I don't want 2 see the freak show, but I should!
I don't want 2 take the last blow, but I would!
I don't want 2 switch the mojo, but I would!
