I'm freaky as I wanna be
We in the bed no sheets

She freaky as she wanna be, believe it
I'm freaky as I wanna be
Pop in, what's in them Dickies? No secret
I'm freaky as I wanna be
If you a lady in the streets, straight freak in the sheets
I'm freaky as I wanna be She be herself around me,
Freaky as she wanna be,
Give me Georgia dome,
Like I'm sit and fact the ammonia,
And I enjoy it (yeah),
Make a little noise (uh),
Stand and ready for it, you already know it, she swallow it, gobble dick,
Little bitch from Memphis, in love wit my cock,
She give a Jimmy a French kiss,
Her favorite position is doggy style or in the butt
And the place that she likes it is on the couch or in the truck,
And I bang on her pussy like a mother fucking door
Knock we lick the Flintstones, yeah making the bed rock,
Its group fun, believe she do what she do son, you view some,
And use some, and use some, and use some,
It ain't no fun if my homies can't have none,
She winked her eye, blew a kiss, stuck out her damn tongue,
You know that she ready, yeah remove the bed spreads then,
Give a little head then, get on in the bed then. She freaky as she wanna be, believe it
I'm freaky as I wanna be

Pop in, what's in them Dickies? No secret
 I'm freaky as I wanna be
 We in the bed no sheets
 Hey
 Air to the feet
 Hey
 Freaky as she wanna be
 She freaky as she wanna be, believe it
 I'm freaky as I wanna be
 Pop in, what's in them Dickies? No secret
 I'm freaky as I wanna be
 If you a lady in the streets, straight freak in the sheets

 What you thought that I wind dime show you things,

Grabbin' on the wood cause its good and she wanna see,
Leanin' on up on a G, Ashton might just run out cause I
Think this hoe is punkin' me (she punkin' me)
Cause she's a freak she do everything,
That pussy ain't shit but that mouth like a hurricane, she keep her hair
Fixed and I fucked it up,
As soon as I bust a nut she grab the dick and she suck it up,
Bring her to the hotel and she do the team, she's a ghetto bitch
All she wants is hot wings,
Nah nigga she like the way a nigga ice bling, she's a good girl,
And she's a actor, in the room alone she's a suckin dick doctor,
Pop my balls in her mouth, like she pops some capsules,
I like them easin out the county and like the way I sold,
They choose ya cause a nigga is a rapper,
Fuck 'em good and straight get ghost just like Casper. She freaky as she wanna be, believe it
I'm freaky as I wanna be
Pop in, what's in them Dickies? No secret
I'm freaky as I wanna be
We in the bed wit no sheets

Freaky as she wanna be
She freaky as she wanna be, believe it
I'm freaky as I wanna be
Pop in, what's in them Dickies? No secret
