OMG

Colby O'Donis

[Verse 1]
Hey there shorty
Had to approach ya
Couldnt help to notice you baby
I really got to know your name
(Yeah)Girl you Caught me off guard looking like a star
Now I'm part of ya baby
I aint tryna run no game
Your tha type
Type of wife
Maybe be the one to change your life
I will oh I will
I treat you like a queen
Give you the best
Track you down
ice on your neck
I will oh I will[Chorus]
Cause you got me saying
Omg (eh) Omg (eh)
I never seen a girl like you
Omg (eh) Omg (eh)
I really gotta get with you
Omg Omg
I just wanna be your man (just wanna be your)
Omg (eh) Omg (eh)
I will do anything to get with a girl like you you
Need a girl like you you
Have a girl like you you
Want a girl like you you[Verse 2]

Youre the finest thing
Gotta get you on ma team (Gotta get you on ma team)
A whole little me and a whole lot of you girl

Type of wife
Maybe be the one to change your life
