

# Lover Man

## Barbra Streisand

I don't know why but I'm feeling so sad  
I long to try something I've never had  
Never had no kissing, ooh, what I've been missing  
Lover man, oh, where can you be? The night is cold and I'm also alone  
I'd give my soul just to call him my own  
Got the moon above me, but no one to love me  
Lover man, oh, where can you be? I've heard it's said that the thrill of romance can't be like a heavenly dream  
I go to bed with the prayer that you'll make my love to me  
Strange as it may seem some day we'll meet  
And you'll dry all my tears and whisper sweet little things in my ears  
Hugging and then kissing  
Huum, what I've been missing  
Lover man, oh, where can you be?
