Is this love is this love is this love yeah
Oh yeah yeah, is this love woah
Is this love is this love yeahVerse 1:
When I wake up in the morning you're the first thing on my mind
Every second every hour girl you're taking up my time
Oh there is no other girl who makes me feel quite like you do
And I just wanna take the time to let you know it's always been youHook:
Girl you and me, we have a little chemistry
Don't wanna let it go no where
Because your love is here with me to stayChorus:
So is this love (so is this love)
So is this love (so is this love)
Is this love that I'm feeling today (that I'm feeling today)
Don't make me wait (don't make me wait)
Don't make me wait (don't make me wait)
Is this love that I'm feeling todayOooh oooh oooh
Oh yeah yeahVerse 2:
Oh there is no escaping all the love I have for you
Even if I try to run, I'd be running right back to you
You see I can search a lifetime to find that one
But why should I be searching when you are that one
I guess that I can say, I'm officially hooked on youHook:
Girl you and me, we have a little chemistry
Don't wanna let it go no where
Because your love is here with meChorus:
So is this love (doo doo doo doo)
So is this love (so is this love)
Is this love that I'm feeling today (oh I'm feeling it yeah)
Don't make me wait (don't make me wait)
Don't make me wait (oh yeah yeah)
Is this love that I'm feeling today (love love love)
Oooh oooh oooh
Oh yeah yeahVerse 3:
I know, that we're all trying to find
That one that we can love for life
And I'm so glad, that I got you (doo doo doo doo)So is this love, so is this love
Is this love that I'm feeling today (that I'm feeling today)
Don't make me wait (don't make me wait)
Don't make me wait (don't make me wait)

Is this love that I'm feeling today (is this love is this love)
