

Carry Your Cross

Michael McDermott

Iâ€™d carry your cross for you
Iâ€™d suffer your loss for you
Iâ€™d break all the laws for you, babe I swear I would
I would right all your wrongs for you
I think I belong with you
Iâ€™d carry your cross for you..if only I could
Iâ€™d turn back the time for you
Iâ€™d make it unwind for you
Youâ€™ve been on my mind itâ€™s true
Youâ€™re the shadows in my room
Iâ€™d fight any war for you
Iâ€™d break down the door for you
I swear I could soar with you to our house on the moon
And Iâ€™d take your doubt and fear, when troubles looming near
Cause without your love I might just fall apart
Weâ€™ll find a way I know, I swear that even though readin road maps in the dark
Iâ€™ll carry your cross for you,
I swear Iâ€™d be tried and true
Show you things that you never knew, if you donâ€™t go
I kingdom I create for you
Iâ€™d take all your pain for you
Forever Iâ€™d wait for you
Cause I love you so
Iâ€™d live and Iâ€™d die for you
Iâ€™d light up the sky for you
Iâ€™d find out why for you, if I didnâ€™t know
And I hear the black bird sing
That time is everything
Cause I canâ€™t find the door to your heart
My love for you is right here
Itâ€™s almost as if weâ€™re readin road maps in the dark
When it feel like youâ€™re goin down
When it feel like your wings are bound
My love I swear Iâ€™ll be, Iâ€™ll be coming aroundâ€.
