

# 30 Hours

## Kanye West

You say you never saw this comin', well you're not alone  
Million dollar renovations to a happy home  
My ex says she gave me the best years of her life  
I saw a recent picture of her, I guess she was right  
I wake up, assassin' the damages  
Checkin' MediaTakeOut  
Pictures of me drunk walkin' out with a bitch  
But it's blurry enough to get the fake out  
I wake up, all veggies no eggs  
I hit the gym, all chest no legs  
Yep, then I made myself a smoothie  
Yeah, then me and wifey make a movie  
Chicago - St. Louis, St. Louis to Chicago  
Ã•ndale Ã•ndale E.I, E.I, uh, oh  
You had me drivin' far enough to switch the time zone  
You was the best of all time at the time though  
Yeah, you wasn't mine thoughBut I still drove 30 hours  
I still drove 30 hours to youI remember rappin' for Jay and Cam  
Young producer just trying to get his flows off  
I remember being nervous to do Victoria Secret  
'Til I pictured everybody with their clothes off  
Expedition was Eddie Bauer edition  
I'm drivin' with no winter tires in December  
Skrrt skrrt skrrt like a private school for women  
Then I get there and all the Popeye's is finished, girl  
You don't love me, you just pretendin'  
I need that happy beginnin', middle and endin'  
Chicago, St. Louis, St. Louis to Chicago  
It's gettin' hot in hurr, that's all that I know  
Got a hotel room, 3 stars for you  
You call down for an omelet  
Girl it's 5 in the morning  
You realize we at the DoubleTree, not the Aria  
Only thing open is Waffle House, girl don't start with me  
I used the Western Union for you like it's no prob  
Cause you was in college complainin' about it's no jobs  
But you were suckin' a nigga's dick the whole time  
Well I guess a blowjob's better than no jobAnd I drove back 30 hoursWere remains that long to lose sad  
Better unsaid

Always turn, oh3 Stacks, can you help me out?
