

# Many Roads

**Trevor Hall**

When many roads lead to nowhere  
And all the places look the same  
Everywhere You just call me  
You just call 'cause I'll be there So many words said forever  
And all the tales of yesterday  
Fade away  
(Fade away) You just call me  
You just call 'cause I'll be there  
( 'Cause I'll be there)  
You just call 'cause I'll be there When many roads lead to nowhere  
And all the faces look the same  
Everywhere You just call me  
You just call 'cause I'll be there
