Livin' The Dream

Uncle Kracker

Funny how things change
Yet they always stay the same
And the simple things in life
Just get tossed into the flame
But I been down that road before
When you just gotta roll the bones
I ain't got much money in my pocket
But I didn't leave none at home
Here I go again on my own
Goin' down the only road I've ever known
Like a drifter I was born to walk alone
And I'll keep livin' my life, livin' the dream on my own
A million roads to go
And a million roads behind me
I've heard so many stories told
But the good ones never find me
I ain't got no crystal ball
That's showin' me the way
And I don't know which way I'm goin'
But I'll get there someday, singin'
Here I go again on my own
Goin' down the only road I've ever known
Like a drifter I was born to walk alone
And I'll keep livin' my life, livin' the dream on my own
And after all that I've been through
There's nothin' left to prove
I'm startin' to believe
We can all live the dream
One day at a time
Yes, I'm startin' to believe
We can all live the dream
Here I go again on my own
Goin' down the only road I've ever known
Like a drifter I was born to walk alone
And I've made up my mind, I ain't wastin' no more time
Here I go again on my own
I'm goin' down the only road I've ever known
Like a drifter I was born to walk alone
And I've made up my mind, I ain't wastin' no more time

Here I go again on my own
Goin' down the only road I've ever known
Here I go again on my own
Goin' down the only road I've ever known
Like a drifter I was born to walk alone
But I'll keep livin' my life, livin' the dream on my own
