

Look On the Floor (Angel City Radio Edit)

Bananarama

It's close to midnight and I'm leaving now
I'm getting in the car and heading out
And I can't slow down
Cause I don't know how You've got my number so we'll be fine
So go and use it just don't waste my time
Cause you're on my mind
And you know I'm right You take my over
Stay with me
And we'll fade away Look on the floor
And all is spinning around
Someone told me this was just a dance
Then take a chance and I'll give you more
Do you really think we have a chance Devil's in your eyes
And he's looking at me
I know what you want
And you know what I need Come and show me how
How do you get down You take my over
Stay with me
And we'll fade away Look on the floor
And all is spinning around
Someone told me this was just a dance
Then take a chance and I'll give you more
Do you really think we have a chance Look on the floor
And all is spinning around
Someone told me this was just a dance
Then take a chance and I'll give you more
Do you really think we have a chance Do you really think we have a chance? Look on the floor
And all is spinning around
Someone told me this was just a dance
Then take a chance and I'll give you more
Do you really think we have a chance
