Let`s Stay Together

Al Green- OST (Pulp Fiction)

I, I'm so in love with you
Whatever you want to do is all right with me
'Cause you make me feel so brand new
And I want to spend my life with youLet me say that since, baby, since we've been together
Loving you forever is what I need
Oh let me be the one you come running to
I'll never be untrueOh let's, let's stay together
Lovin' you whether, whether
Times are good or bad, happy or sad, alright, oh yeah
Whether times are good or bad, happy or sadOh tell me why, why, why, why, why, why
Why people break up, turn around and make up
I can't see, you never, never, never do that to me
You better not do, staying around you is all I
All these eyes will ever seeWhy won't you say that me, everybody says
That let's, let's stay together
Lovin' you whether, whether
Times are good or bad, happy or sadEverybody says, "Let's, let's stay together
I'll keep on lovin' you whether, whether
Times are, oh times are good or times are bad
Whether, whether good or bad, happy or sad
Oh yeah, oh yeah, oh yeah
