

# White Slavery (Feat.Ill Bill)

## Necro

Frank Zito, Tamma, For Ralpus (\*Ralpus\*)  
Natacha Dinatelli, Shout out to Saddam  
do it, (HAhahahahaha)[Hook - Necro]  
White slavery when bitches get put under seige  
shoved into a van and kidnapped right from the streets bitch  
never to be seen again by any of their peeps  
just a victim buried deep in the world of creeps  
who roam through alleyways accociating with freaks  
you'll never be found but cops will be searching for weeks  
looking for leaks, hoping somebody speaks  
while your brain is washed and your memory they delete[Verse 1 - Ill Bill]  
Woman need to be loved, injected with needles and drugs  
subjected to torture and kidnapped they need to succumb  
it's proven, I feed em dog food, they prefer human  
make 'em savagely beat each other bloody for my amusement  
It's all fun and games, I keep 'em handcuffed in chains  
sexually make 'em do the most disgusting things  
starve 'em to cannibals, make 'em eat each others brains  
changed and deranged, stores begin to seem like nothings strange  
while retarded acquaintances get fist fucked and raped  
covered in lighter fluid, lit up and ingulfed in flames  
sound proof walls guarantee to muffle your screams  
squirm on a shit stained mattres in a puddle of pee  
selling you to the highest bidder for a bundle of D  
and Imma be a scumbag till I'm a hundred and three  
throw you in the back of a van, rag stuck in ya teeth  
smothered in chloroform, you wake up smothered in creeps[Hook]
