

Burnin' / Too Long

Daft Punk

You know you need it, hey, I need it too, well alright
you know you need it, it's good for you

We gon' move!

You know you need it, hey, I need it too, well alright
you know you need it, it's good for you

We gon' move!

...

I Know you need it hey!

I Know you need it hey!
