

# Until You're Mine

Demi Lovato

My state of mind  
Has finally got the best of me  
I need you next to me I'll try to find  
A way that I can get to you  
Just wanna get to you The world I see is perfect now  
You're all around  
With you, I can breathe Until you're mine, I have to find  
A way to fill this hole inside  
I've got to fight  
Without you here by my side Until you're mine, not gonna be  
Even close to complete  
I won't rest until you're mine  
Mine Alone inside  
I can only hear your voice  
Ringing through the noise I can't find my mind  
Keeps on coming back to you  
Always back to you Wanted something out of reach  
It's killing me, you're all I see Until you're mine, I have to find  
A way to fill this hole inside  
I've got to fight  
Without you here by my side Until you're mine, not gonna be  
Even close to complete  
I won't rest until you're mine  
Mine Just stop wondering  
If we were meant to be  
Forget about fate  
Just hold me I'm ready to begin  
The waiting has to end  
Right now, today  
I've got to find a way, yeah Mine, until you're mine  
Until you're mine, I have to find  
A way to fill this hole inside  
I've got to fight  
Without you here by my side Until you're mine, not gonna be  
Even close to complete  
I won't rest until you're mine My state of mind  
Has finally got the best of me  
I need you next to me
