Kingspade

da na na na na na na na
na na na na na na na
na na na na na na na
na na na na na na na
I be ridin' 24 with them batman doors (v.i.c)
I be ridin' 24 with them batman doors (hurricane)
da na na na na na na na
na na na na na na na
na na na na na na na
na na na na na na na
[V.I.C.]
We flowin' mean skates 24 sides
I make it like a skatin' rink
show 'em how we go ta glide
with them batman doors pokin' out wide
so if you standin' in my way I might getcha close side
now you know how it is niggas hatin' on me
they don't know it's my time I been waitin' homey
they don't wanna see me shine, even my homies
and my frends I thought was fine I see they off on me
but forget them haters I'm a prayer
tryin' ta make a quick escape
I think caper(?) it's a shame
they don't want me to get paper
(???)others have it
I can feel it in my wallet
why your lady keep on jockin'
got me in your system.
da na na na na na na na
na na na na na na na
na na na na na na na
na na na na na na na
I be ridin' 24 with them batman doors
I be ridin' 24 with them batman doors
da na na na na na na na (cold life entertainment)
na na na na na na na
na na na na na na na (hurricane)
na na na na na na na
I be ridin' 24 with them batman doors

I be ridin' 24 with them batman doors
[Hurricane Chris]
da na na na na na na na
na na na...
Blam Blam batman doors with the trunk on slam
Hangin' out the window hollin' I don't give a damn
and if you don't give a damn let me see you rep your town
I'm swang-a-lang-a-lang the daddy da Hurricane
so you better get ya game for I be out da frame
I rep louisiana where we sip on tropicana
Them batman doors got em pullin' out they camera
What's down there mom I'm from the dirty south
Can't you tell by my swagger and them golds in my mouth
I could piss on 26s boy don't make me pull it out
I'm shinin' blindin' and blingin' I show you what I'm about
Ya'll still buyin' Chargers and puttin' 'em on 24s
I'm cocked up on 26s with them batman doors
Ya'll still buyin' Chargers and puttin' 'em on 24s
I'm cocked up on 26s with them batman doors
da na na na na na na na
na na na na na na na
na na na na na na na
na na na na na na na
I be ridin' 24 with them batman doors
I be ridin' 24 with them batman doors
da na na na na na na na
na na na na na na na
na na na na na na na
na na na na na na na
I be ridin' 24 with them batman doors
I be ridin' 24 with them batman doors
[v.I.C.]
Now when you see dem boys comin' with them judo eyes
and them bright headlights screamin' (Batman)
kinda like a bat signal with my wings in the sky
cause I'm fly in my city like (Batman)
I be makin' all the haters covet
Cause they envy how I does it
You what gives me God is with me
something that you need to stomach
I don't think you want no problems
cause we will be quick to solve 'em
I deal with the problem solver
.44 I will revolve them
Flaging down the caped crusader

ridin' here like navigators
Lookin' down at all you haters
I'm so high I hear your prayers
I'm just blessed to make a livin'
Where I'm from I won't forget it
Makin' millions by the minute
at this speed I need a (?)
da na na na na na na na
na na na na na na na
na na na na na na na
na na na na na na na
I be ridin' 24 with them batman doors
I be ridin' 24 with them batman doors
Ride Batman
Ride Batman
