

# Live & Direct

## FACS

Live and direct  
Live and direct We can go out  
Love what we be about  
Love what we be about We can go out  
Love what we be about  
Love what we be about We can go out on the weekend  
'Cause the weekend is free  
We can go off up the deep end  
If ya thinkin' of me We can make it on your old mans money  
Never make it on mine  
We can make it through the weekend  
You believin' in me You're the one that said to me  
You're the one that said to me  
That we don't regret anymore We don't regret anymore  
Love what we be about  
Love what we be about We can get out on the weekend  
Everybody can see  
We can drive off the deep end  
If you depend on me We can make it, you can make it  
Never make it on time  
Loose your mind on the weekend  
Off the deep end with me Hey sit down put your money on the ground  
'Cause it's gonna be a tragedy  
Hey sit down put your money on the ground  
'Cause it's gonna be a tragedy You're the one that said to me  
You're the one that said to me  
That we don't regret anymore We don't regret anymore  
Love what we be about  
Love what we be about Get it up, get it up  
Get it up, get it up  
Get it up, get it up  
It's gonna be a tragedy Takin' you on  
Shakin' you on  
Wakin' you on  
Breakin' you on Get it up, get it up  
Get it up, get it up  
Get it up, get it up  
It's gonna be a tragedy Over here, over there, over there  
Love what we be about

Love what we be about It's gonna be a tragedy  
Love what we be about  
Love what we be about Nothin' new, nothin' new, never sayin' nothin' new  
Nothin' new, nothin' new, never sayin' nothin' new, yes  
The wonder, wonder, wonder, wonder, wonder miracle  
But when you finish jammin' you have not heard nothin' new, yes This on falls onto the DJ yesterday they rhyme  
Say time after, time after, time after time  
Time after, time after, time after time We can go out, we can go out  
Love what we be about  
Love what we be about Live and direct  
Live and direct  
Live and direct We can go out  
We can go out  
We can go out
