Sweet Anne Marie

Gentry Morris

There's a summer sent,
On you my friend.
And it take's me back,
To where I've been.
To a July day,
One night in May.
And I loved you once,
But you got away.

Sweet Anne Marie,
Won't you please show your love to me.
I've been standing here all summer long,
Singing this song.
Hopin you'll sing along

There's a Winter breeze,
Inside your chest.
And it covers me,
With every breath.
Your lips are cold,
With snow and ice.
Nd' in feelin booooollllllddddddd,
And won't tonight

Sweet Anne Marie,
Won't you please show your love to me.
I've been standing here all winter long,
Singing this song.
Hopin you'll sing along
Wowwowwowowowowaaaawow

Sweet Anne,
Sweet Anne,
Sweet Anne.

Sweet Anne Marie,
Won't you please show your love to me.
I've been standing here all summer long,
Singing this song.

Hopin you'll sing along

Sweet Anne Marie,
Won't you please show your love to me.
I've been standing here all winter long,
Singing this song.
Hopin you'll sing along
