Hearts on Fire

Hammerfall

We saw the writings on the wall
When heathens ruled above us all
Tormented we still heard the call
You come to bring us down
Wield the scepter steal the crown
Time on the thrown is running out
'Cause seasons change but we are still the same
Even though the cold winds blow
We're burnin' like a flameHearts on fire hearts on fire
Burning burning with desire
Hearts on fire hearts on fire
Burning burning with desire
Hearts on fire hearts on fire
Burning burning with desire
Burning for the steelHearts on fireFor years shunned by society
Outcasts condemned for our beliefs
Our legions grew in secrecy
And now the time is here
I see the templars everywhere
The freedom call is drawing near
We hold our rebel banners up with pride
The color's crimson
And the hammer is the signHearts on fire hearts on fire
Burning burning with desire
Hearts on fire hearts on fire
Burning burning with desire
Hearts on fire hearts on fire
Burning burning with desire
Burning for the steelHearts on fire
Hearts on fire
