Sound of the funky drummer
Music hittin your heart, 'cause I know you got soul
Brothers and sistersListen if youre missin yall
Swingin while Im singin
Givin whatcha gettin
Knowin what I know andWhile the black bands sweatin
And the rhythm rhymes rollin
Got to give us what we want
Gotta give us what we needOur freedom of speech is freedom or death
We've got to fight the powers that beLemme hear you say
Fight the power

Fight the powerLemme hear you say
Fight the power
Lemme hear you say
Fight the power
We've got to fight the powers that beAs the rhythm designed to bounce
What counts is that the rhymes designed to fill your mind
Now that youve realized the prides arrived
We got to pump the stuff to make us toughFrom the heart, its a start, a work of art
To revolutionize, make a change, nothins strange
People, people, we are the same
No, were not the same, 'cause we dont know the gameWhat we need is awareness, we cant get careless
You say what is this?
My beloved, let's get down to business
Mental self defensive fitnessYo, bum rush the show
You gotta go for what you know
To make everybody see
In order to fight the powers that beLemme hear you say
Fight the power
Lemme hear you

Fight the powerLemme hear you say

Fight the power
Lemme hear you
Fight the powerLemme hear you say

We've got to fight the powers that beElvis was a hero to most
But he never meant shit to me you see
Straight up racist that sucker was
Simple and plainMother fuck him and John Wayne
'Cause Im black and Im proud
Im ready and hyped plus Im amped
Most of my heroes dont appear on no stampsSample a look back you look and find
Nothing but rednecks for four hundred years if you check
Dont worry be happy was a number one jam
Damn, if I say it you can slap me right hereLet's get this party started right
Right on, cmon, what we got to say
Power to the people, no delay
Make everybody see in order to fight the powers that beFight the power
Fight the power
Fight the power
Fight the power
We've got to fight the powers that be
