

Angel & Me

Toyah

Angel And Me I knock the telephone from the table
And the room starts to purr.
I splash the contents from a drawer,
A photo, mid-air,
Starts to twirl,
It falls Why do you always cry when you come to see me?
I always die to see you smile.
You see, I have a secret
That's why I always smile. Yes I know the windows dirty,
And I've noticed that all the plants are dead.
Why don't you ever hear a single word I say?
I've been trying to tell you
She's on her way
Angel! I want to introduce you to someone
You've never met before
As you can see she's very special to me. She stretches the skin of her silvery wings,
Puts her hands through the bars to me.
She steps through the wall
As if it's a door
And I rise from the floor
As I did before. I knock the phone from the table
And the room starts purring,
I smash the contents from a drawer
And a photo starts twirling
It's the angel,
It's the angel,
It's the angel and me. I push the blade to your eye,
Break the bars,
Watch you cry,
Set myself free
It's the angel and me,
And me. I run in the wind,
I run to the river,
There's blood on me,
It's your memory. It's the smile of
It's the smile of
It's the smile of
insanity. You fall to the floor
As my fist hits your jaw

But I dont cry
I dont cry
I dont cry
I dont care. Get your hands off me,
Get your hands off me,
Get your hands off me,
Cant you see?
Shes come for me. Its the angel,
Its the angel,
Its the angel and me. Its the angel,
Its the angel,
Its the angel and me. Its the angel,
Its the angel,
Its the angel and me...
