

# The Best Of Me

Bryan Adams

Sometimes words are hard to find  
I'm looking for that perfect line  
To let you know you're always on my mind  
Ya this is love n' I've learned enough to know  
I'm never lettin' go  
No, no, no won't let go When you want it when you need it  
You'll always have the best of me  
I can't help it believe it  
You'll always get the best of me I may not always know what's right  
But I know I want you here tonight  
Gonna make this moment last for all your life  
oh ya this is love n' it really means so much  
I can tell from every touch  
No, no, no can't get enough When you want it when you need it  
You'll always have the best of me  
I can't help it believe it  
You'll always get the best of me Ya this is love  
And I've learned enough to know  
I'm never letting go  
No, no, no won't let go When you want it when you need it  
You'll always have the best of me  
I can't help it believe it  
You'll always have the best of me yeah! When you want it when you need it  
You'll always get the best of me  
I can't help it believe it  
You'll always get the best of me You've got the best of me
