("HIT MEH!!")

[Sample of the late James Brown's "Get Up, Get Into It, Get Involved" plays]

[Nas]

Redhead Kingpin, Tim Dog, have you seen 'em?

Last week my man swore he saw Special Ed  
Rap is like a ghost town, real mystic  
Like these folks never existed  
They the reason that rap became addictive  
Play they CD or wax and get lifted

Let him hear Spice 1, made plenty noise

Where are they now?

(HEY! Hit me! Where are they noooooow?)

("HIT MEH!!")

[Nas]

The original Spinderella  
Lakim Shabazz, 9 MM  
Fu-Schnickens, Buckshot, Finesse, and Sequence

Silk tie and leather was cute  
Body and soul was Dee from Pump It Up's group  
Oaktown 357, J.J. Fad too  
had pop hits and gold ropes  
Where my man Young MC and Tone Loc?  
Kris Kross, the BO\$\$, Divine Styler
