

25 Cromwell St.

Apoptygma Berzerk

Lights out. Forever in darkness.

Incest? Your insane.

Inside the 25, you did commit suicide.

You killed them all, then you killed yourself. They think that you're alive, but you know that they are wrong.

You left your body in a prison cell, before you went to hell.

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
