

# World Without Love

## Soundtrack

Please lock me away and don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say  
I won't stay in a world without love  
Birds sing out of tune and rain clouds hide the moon  
I'm okay here I'll stay with my loneliness  
I don't care what they say  
I won't stay in a world without love  
So I wait and in a while  
I will see my true love smile  
She may come I know not when  
When she does I know so baby, until then  
Please lock me away and don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say  
I won't stay in a world without love  
So I wait and in a while  
I will see my true love smile  
She may come I know not when  
When she does I know so baby, until then  
Please lock me away and don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say  
I won't stay in a world without love  
I don't care what they say  
I won't stay in a world without love  
I don't care what they say  
I won't stay in a world without love
