Jah Work

Ben Harper

Tell me do you really know
your brother man
cause a heart speaks louder
than a color can
and why would you even
shake a man's hand
if you're not going
to help him stand

Jah work
Jah work
Jah work is never done

Every man's actions
belong to he
if prepared for thereafter
to each his destiny
some people believe
and some people know
some people deceive
and some people show

Jah work
Jah work
Jah work is never done

You must do the heaviest
so many shall do none
you have got to stand firm
so many shall run
some they rest their head at night
some get no sleep at all
if you listen close to what you see
you will hear the call
