The Autumn Song (LOSLESS)

ELLEGARDEN

Summertime is gone
I miss it so much
My board lies in my garage
Waiting for the snowy season
And again I would slideFriends are alright
There's nothing so sad
And the foods are good today
It looks like things are going right
But I feel I'm all aloneTell me how can I be such a stupid shit
No way, I can't even find my way home
You said today is not the same as yesterday
One thing I miss at the center of my heartIt's such a fine day
And all the nice girls
I don't need anymore
Coffee is ready, I light my cigarette
Guess what it's all aboutI wonder where I put the letter you wrote
That's all I'm concerned about
We can party around the clock
But I feel I'm all aloneTell me how can I be such a stupid shit
No way, I can't even find my way home
You said today is not the same as yesterday
One thing I miss at the center of my heartSummer time is gone
I miss it so much
My board lies in my garage
Waiting for the snowy season
And again I would slideI wonder where I put the letter you wrote
That's all I'm concerned about
We can party around the clock
But I feel I'm all aloneTell me how can I be such a stupid shit
No way, I can't even find my way home
You said today is not the same as yesterday
One thing I miss at the center of my heart
