

Two Years, Four Months, Fifteen Days

Dead!

I cross my heart,
And hope to live,
Cause all of this is slowly killing me,
Not knowing where to stand,
For what we stand for,
Heavy hearted I walk on,
Through the rain of your storms,
And if the sky fell on us,
We'd find a way to keep it from falling Don't ease my mind,
Don't ease my soul,
With false pretences,
So sick of hearing all you haven't got to say,
Two years and this is what it's come to,
Lets carry on,
Lets just carry on
The weight of the world,
Rests on me,
The weight of your heart,
Too light to be,
Anything real that could love or fight a man
Like me
Cause this is all we can be,
This means nothing to me,
If this is all I can be,
This means nothing to me, yeah Don't ease my mind,
Don't ease my soul,
With false pretences,
So sick of hearing all you haven't got to say,
Two years and this is what it's come to,
Lets carry on,
Lets just carry on,
(INSTRUMENTAL) And every word I try to say,
Lines missing from yesterday that I know,
This just ain't you it ain't true course,
I'm losing sleep, I'm losing heart, heart... Let's just carry on
Let's just carry on
