

# All Out of Love

[Soluna](#)

Im lying alone with my head on the phone  
Thinkin of you till it hurts  
I know you're hurt too, but what else can I do  
Tormented and torn apart I wish I could carry your smile in my heart  
For times when my life seems so low  
It would make me believe what tomorrow would bring  
When today doesnt really know, doesnt really know Im all out of love, Im so lost without you  
I know you were right believing for so long  
Im all out of love, what am I without you  
It cant be too late to say that I was so wrong I want you to come back and carry me home  
Away from these long lonely nights  
Im reaching for you, are you feeling it too  
Does the feeling seem oh so right And what would you say if I called on you now  
And said that I cant hold on  
Theres no easy way, it gets harder each day  
Please love me or Ill be gone, Ill be gone Im all out of love, Im so lost without you  
I know you were right believing for so long  
Im all out of love, what am I without you  
It cant be too late to say that I was so wrong Oh, what are you thinking of?  
What are you thinking of?  
Oh, what are you thinking of?  
What are you thinking of? Im all out of love, Im so lost without you  
I know you were right believing for so long  
Im all out of love, I am so lost without you  
I know you were right believing for so long  
Believing for so long, so long Im all out of love, Im so lost without you  
So lost without you  
I know you were right believing for so long  
Just say that I'm wrong  
Im all out of love, what am I without you  
It cant be too late to say that I was so wrong Im all out of love, what am I without you  
It can't be to late  
To say that I was so wrong
