

Homewrecker

Ms Krazie

[Verse 1]

You sneaky ass puta
Got yourself in this mess por estúpida
You actually believed he would leave me for you
When I got his last name, what the fuck do you
It takes more than a hoodrat to fuck with my head
To fuck up my home, yeah you heard what I said
Dont act fucken new
Cuz you got him to look
That don't mean a shit at least in my book
While you dipping el sal, he's fucking with me
And I'll fuck him in front of you
So you see and you finally know why he ain't going nowhere
When you wish that he were, with my tits in his mouth
Why you acting surprised
Did you think you could get him to be in your life
No seaz tontita
Equal como Buena puedo ser maldita
Ten quidado y no chinges conmigo
Te metes con el, te arastro en el piso
Me sobren las ganas
De darte en tu madre
Pinche pendeja no me ando con hales

[Verse 2]

Pendeja culera
You fucken ramera
You know why your ass still alone, ofresida
You knew he was married but you wanted dick
30 something years and your ass still a trick
Your so fucken blind
That you couldn't see I was right there behind you
Just wait till I find you
Now how in the hell could you be so dumb
Take one look at me
Why the fuck should he run
To some fucken hag when he gots this around
Guess you didn't think you could ever be found
To be albrotonga, pinche trondonga

You wanna compare to me no seaz tonta
I know your type
U wanna be friends and then turn around to fuck with my man
I know you told him I don't give a fuck what he said
This was all you in my head
Cuz this didn't happen with you overnight
I know you been trying for a period of time
To make him forget that he had a wife
Ten quidado cabrona you?ll play with ur life
