

# Farewell And Goodnight

## Birdy

Goodnight, to every little hour that you sleep tight  
May it hold you through the winter of a long night  
And keep you from the loneliness of yourself  
Heart strung is your heart frayed and empty  
Cause it's hard luck,  
When no one understands your love  
It's unsung, and I say  
Goodnight, my love, to every hour in every day  
Goodnight, always, to all that's pure, that's in your heart
