Coma White

Dreadful Shadows

There's something cold and blank behind her smile
She's standing on an overpass
In her miracle mile
Cause you are from a perfect world
A world that threw me away today
Today to run awayA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Won't save her from herselfHer mouth was an empty cut
And she was waiting to fall
Just bleeding like a polaroid
Lost all her dolls
You are from a perfect world
A world that threw me away today today
Today to run awayA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Won't save her from herselfA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Won't save her from herselfYou are from a perfect world
A world that threw me away todayA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Won't save her from herselfA pill to make you numb
A pill to make you dumb
A pill to make you anybody else
All the drugs in this world
Won't save her from herself.
