

Atom Bomb Baby

The Five Stars

Got a doll, baby, I love her so
Nothing else like her anywhere you go
Man, she's anything but calm
A regular pint sized atom bombRefrain: Atom bomb baby, little atom bomb
I want her in my wigwam
She's just the way I want her to be
A million times hotter than TNTAtom bomb baby loaded with power
Radioactive as a TV tower
A nuclear fission in her soul
Loves with electronic controlRefrainAtom bomb baby, boy she can start
One of those chain reactions in my heart
A big explosion, big and loud
Mushrooms me right up on a cloudRefrainAtom bomb baby sweet as a plum
Carries more wallop than uranium
When she kisses, there's no hitch
Zero power, she turns on the switchRefrainAtom bomb baby, little atom bomb
I want her in my wigwam
She's just the way I want her to be
A million times hotter than TNT
Atom bomb baby, little atom bomb!
