Jump

Nick Barker

I get up
Nothing gets me down
U want it ruff aye
I've seen the roughest around

And I know
Oh baby just how it feels
You got a roll with the punches
Just to get to watch real

U see me standing here
My back against the record machine
I ain't the worst that you've seen
Do see what i mean

I might aswell jump
I might aswell jump
Yeah just go ahead and jump
Yeah you might aswell jump

How old r u
Who said that
Baby how you been
See u don't know
Yeah u don't know Until it begins

And I know aye
Baby just how it feels
U got to roll with the punches
Just to watch real

But you see me standing here
With my back against the record machine
I'm the worst that you've seen (yea)
Until u see what I mean

Yea I might aswell jump
U might aswell jump
I just go ahead and jump

Yea u might aswell jump

You see me standing here got my back against the record machine
Like I'm the worst that you've seen
Unill u c what I mean

Might aswell jump
Yea, I might aswell jump
Yea u might aswell jump
Yea u might aswell jump
Just go ahead and jump
Yea u might aswell just jump (jump)
