

# Breath Control

## Boogie Down Productions

Hah, giddyap  
Ha ha ha hah  
Another dope dope dope style  
By the massive bdp crew  
Of course, I will now present to you  
A different view, for 1990  
Of course, eighty-nine is behind me  
Check it outIt's called breath control, breath control, breath control style  
Breath control a-lone, breath control a-lone  
Breath control, breath control, breath control style  
Breath control a-loneIt's krsone, yes the t'cha  
I wear Clarks and only Nike sneaker  
In your speaker, is the new style  
Dedicated to the intelligent child  
In the front row, or behind me  
We're gonna pull somebody file for the 90's  
You want lyrics? we come correct  
Bdp, only movin with respect  
The other mc's, they can't believe me  
A when I rhyme it sound just like a cd  
We don't lip-sync, we go all live  
On stage, I bring about four or five  
That's d-nice, Sydney, and melody  
And myself, harmony, and Willie d  
We come humble, we just grumble  
While other mc's crew just crumble  
They want dancers, they want lighting  
They want effects, to make them look exciting  
But it's frightening, cause without that  
The whole crew, is whick whick whick whack  
Bdp comes, with the cheapest  
And perform miracles like Jesus  
The total respect, we achieve it  
And the big head-liner can't believe itIt's called breath control, breath control, breath control style  
Breath control a-lone, breath control a-lone  
Breath control, breath control, breath control style  
Breath control a-lone get ready for the breakHa ha ha ha hah  
Well the styles I, usually dish out  
Are so dope that you don't wanna miss out

We got pages, of the dope stuff  
So in the record store, you can't pass by us  
    Get the album, hear the music  
    And hold on so you just don't lose it  
        As a reference, for any mc  
        That wanna test, k-r-s, o-n-e  
    Cause I've been watchin, these other rap groups  
    They walk around like they're some kinda big soup  
        You can't touch them, you only see them  
            In a arena or big coliseum  
        So when you watch them, for a second  
            Them sound nuttin like they do on record  
            Them sound cheesy, them sound wheezy  
    For twenty dollars boy you know them never please me  
        So I see this, and prevent this  
        It's like goin for a checkup at the dentist  
    Cause when you come to a bdp performance  
        The microphone, had better have endurance  
        Cause we'll check it, and then wreck it  
And then the soundman has got to accept itBecause it's breath control, breath control, breath control style  
    Breath control a-lone, breath control a-lone  
    Breath control, breath control, breath control style  
    Breath control a-lone take it out
