

He Is the Way

Jenny Phillips

I have felt his light
And I have felt his peace
Stronger than anything
If I could shout
To all the world
Bring his truth
To every man

I would wear away
My life to say

He is the way
He is the light
He is life
No other road
No other name
Has power to save
I testify
With every breath I breath
With all my faith
He is the way

How blessed is his power
How sweet it feels to me
How I love the one
Who leads
If I could sound his holy name
And kindle someone's faith

I would wear away
My life to say

He is the way
He is the light
He is life
No other road
No other name
Has power to save
I testify
With every breath I breath

With all my faith
He is the way

Light and Life
Joy and Peace
Living Hope
Hands of mercy
Power, Growth
Truth and Strength
Love and Progress
Goodness, Grace

He is the road
He is the power
He is the gate
He is the way
