

Black Forest Lorelei (Live Version)

Mercury Rev

If I was a white horse
And offered you a ride
Through a black forestIf we took a strange course
Promised you a danger
For a whileOoh, ooh
(If I was a white horse)
LoreleiOoh, ooh
(If I was a white horse)
LoreleiThere's no way around the forest
The only way is through
And there's no way I'll ever make it on my own
Without youBut if you are persuaded
By all those dragon flies, offerin' you a ride
I'll know whyOoh, ooh
(If I was a white horse)
LoreleiOoh, ooh
(If I was a white horse)
I'll know why
I'll know whyForests come in all size
Danger many shapes
Well, who's to sayIf I was a white horse
Offered you a ride
Through a black forest
