

# Washed Out to Sea

## Something for Kate

She's out and back  
She's looking for the matches  
We built our own logic  
And now we scatter it's ashes  
We dropped a feather from the eighty-first floor  
And watched it swing down to the world below  
Such a long, slow fall...Washed out to sea  
Yeah, you're so far from me...Oh oh oh oh woah.  
Oh oh oh oh woah.  
Oh oh oh.Arrival and departures  
Yeah, we know them so well  
Oh, from sleeping and dreaming  
On a baggage carosel  
We know every step and every crack  
Every sea leading to the flat  
Every common trail circling back back back...Washed out to sea  
And you're so far from me...  
Yeah, we get washed out to sea  
And you're so far from me  
From me  
From me  
Yeah you're so so far now  
So far now  
You're so far, so far now  
OoooooohYou're washed out to sea  
And now your so far, so far from me, from me yeah yeah  
From me yeah  
Oooooooooh.
